

## Magic Number

In this activity, students are trying to fill in each missing number. The center number is the “magic number”. Each row has to add up to the magic number. Below is an example.

2	3	4
6	9	4
1	7	1

In this example:

The middle number is the “magic number”.

The black numbers are given numbers.

The blue numbers are numbers that the student filled in.

**\* I have added a blank page for you to make your own!**

	1	7
	15	
3		6

6		7
	18	2
4		

3		1
	8	
2		5

7	1	
	12	3
	5	

7		3
2	14	8

	8	
	20	7
3		9
